

Springside Hill

Project Update No.2

April 2024

Kiama Municipal Council recently voted to not support our Planning Proposal to rezone the land at the Springside Hill site at this time.

While we are disappointed with the outcome, Council resolved to actively work with us to determine how Springside Hill is included in their current growth plans through the Housing and Growth Strategy. We are committed to continuing to work with Council, and with the State Government, to progress our plans for Springside Hill through the formal planning approval process.

Interested in purchasing at Springside Hill?

We are maintaining a register of interested purchasers and will be communicating through that database for future updates on our 25% guarantee and next project milestone.

You can sign up to this database and to project updates through the Springside Hill website springsidehill.com.au

Come say hello

To learn more about the rezoning, meet the Springside Hill Project Team and leave your feedback with us, visit one of our community drop-in sessions.

Light refreshments will be served.
